

How To: Sleeping Squirrel

1. Trace line drawing onto watercolor paper.
2. Paint flower petals and squirrel with medium orange watercolor. Paint a wash, but do not use too much water, let dry.
3. Using dark orange paint in flower petals and outline squirrel.
4. Mix orange and brown and paint in squirrel hair.
5. Mix black and brown and outline squirrel, and petals. Also paint in center of flowers. Paint in branches.
6. Mix green and orange and paint flower stems. Mix light & dark green and paint in grass.
7. Using black, paint the inside center of squirrel. Also, use black to paint in dots for poppy seeds inside of flower.
