

How to: Birdhouse

1. Trace the line drawing on to watercolor paper that is taped down to clipboard.
2. **Leave white areas on birdhouse and in bushes.**
3. First layer: Mix white, brown and light orange OR yellow to make a cream shade. Paint birdhouse, roof and stand. *****Leave white areas*****
4. Second layer: Mix brown and dark blue and paint areas on the outer edges of birdhouse, stand, and roof.
5. Circle opening & dark blue areas: Mix dark blue and black and paint circle (opening for birdhouse) leave white area. Then paint in dark blue shades under roof, under birdhouse, and on stand.
6. Bushes: Using brown and dark blue mixture paint in blue bushes. Mix black and blue to paint in brighter blue bushes. Mix green and a little brown to make the olive green bushes. And black to the green mixture to paint in the darker green areas.
